Supervisors Give Nod for Alondra Food Concession

Supervisor Raymond V. Darby Tuesday announced approval of the Board of Supervisors of a food concession for Alondra Park. At the same time County Counsel, Harold Kennedy, was instructed to prepare a notice of sale. Complaints caused by children playing in the park and running across the street to buy food spurred efforts to establish the concession to sell soft drinks and candy as well as food. The terms of the agreement will be for a ten year lease. Darby said, with provisions that the concessionaire provide and erect the building at his own expense, and provide and pay for all utilities.

Local Youth Team Plays in Inter-City Hardball League

The first steps toward the organization of the inter-city baseball league, in which a Torrance team sponsored by the Recreation Department will participate, were concluded at a meeting of team representatives, held in the Torrance Recreation Office, Wednesday, May 25.

In attendance at the meeting were the following representatives: President Charles Roginson and Director George Glenn of The Golden State Junior Baseball Association, Robert Shelby, Chairman of the Gardena Recreation and Parks Commission, Mike Mason, Director of Recreation for the Compton School District, O. N. Mitchell, Manager and Bill Blunt, representing Culver City Youth Team, Jack Crabtree, Manager Hawthorne boy's team, Mr. Hudson, Manager Harvard play-ground team, Frank Carpenter, Director of Recreation and Elmer "Red" Moon, Director of Athletics for the City of Torrance.

The Constitutions and By-Laws of the proposed league were read, discussed and tentatively adopted. President Roginson explained the functions of the Golden State and stated that it would be necessary for this league to have six teams organized and elect officers to be eligible to affiliate with Golden State. Four teams—Culver City, Hawthorne, Harvard Playground and Torrance—committed themselves to league participation and to affiliate with Golden State. Gardena and Compton expressed a desire to enter the league but requested one week to obtain approval from their recreation people.
